

# Truvelo TM 545P-SF

The Truvelo TM 545P-SF is a 5.56x45mm adjustable piston operated firearm. Both the upper and lower receiver are made from precision forged 7075-T6 Aluminium, with the upper receiver benefiting from an extended feed ramp. The 12" barrel is a button rifled barrel made from high alloy Chrome Molybdenum steel with a final Nitride Treatment for strength and endurance.
