

# Truvelo TM 739 Special Operations

The Truvelo TM 739 Special Operations is a 7,62x39mm direct impinged gas operated rifle. Both the upper and lower receiver are made from precision forged 7075-T6 Aluminium, with the upper receiver benefiting from an extended M4 feed ramp. The 12" cold forged rifled barrel is made from high alloy Chrome Molybdenum steel with a final Nitride Treatment for strength and endurance.
