The TRV 300 BLK is a 7.62x35 direct impinged gas operated rifle. Both the upper and lower receiver are made from precision forged 7075-T6 Aluminium, with the upper receiver benefiting from an extended M4 feed ramp. The 9", 10" and 12" cold forged rifled barrels are made from high alloy chrome molybdenum steel which is heat treated and tempered for strength and endurance.
