The CMS .338 Lapua is designed as a precision rifle for long range targeting. Together with the Truvelo proven barrel and action design, the combination of calibre and the ammunition used, results in accurate shooting up to 1 800m. Design features include a foldable stock, fully adjustable recoil assembly, adjustable grip, stanag picatinny rails and removable bipod. In addition to this, various fore-end lengths are available.

STANDARD RIFLE (INCLUDED):

Muzzle Brake, Operators Manual (English), 2 x 5 Round Magazines, Firing Pin Protrusion Gauge.

Truvelo reserves the right to change products at any time without prior notice.
