

Truvelo TM 545 – Commando

The TM 545 Commando is a 5.56x45mm direct impinged gas operated rifle. Both the upper and lower receiver are from precision forged 7075-T6 Aluminium, with the upper receiver benefiting from an extended M4 feed ramp. The 12" cold forged rifled barrel is made from high alloy Chrome Molybdenum steel with a final Nitride Treatment for strength and endurance. Variety of furniture options available.
